State v. Odermann

No. 20150216

Per Curiam.

[¶1] Michael Odermann appeals from a criminal judgment entered after a jury found him guilty of burglary and two counts of theft of property. He argues the evidence presented at trial was insufficient to support the convictions. We conclude there was substantial evidence to support the verdicts and summarily affirm under N.D.R.App.P. 35.1(a)(3).
